Recognition of Lion Ladies.

My theme for the year is 'Believe in the Power of One' - if each of us believes in the change we can make and act on it together we will make a huge impact. Every member of the Lion's family matters regardless of your length of service and your title.

Let's join hands! If we all take action, together we can achieve our goals of serving 1 million people, recruiting 500 new members, and making our clubs strong!

We need Action Heroes to move forward! Lions who have the courage to take action now! Our country needs us! We need each other! Let's move forward together! Yours in the spirit of service
