At the February Regular meeting Mr Krishantha Perera, Work Study Executive at MAS Holdings, sponsored by his elder brother Lion Secretary Nishantha Perera, and Mr Shantha Bandara, General Manager at Sunshine Healthcare Lanka Ltd., sponsored by Past President Lion Wickremasekers Bowalgaha, were inducted as Centennial Lions by PCC Anver Dole.

Editor's comment: The District 306 A1 Convention is fast approaching and is scheduled for 29th & 30th April 2017 at the BMICH. District Governor Lion (Dr) Dhammika Gunawardena promises that it will be a grand Convention with an amazing difference. He was badly handicapped with unprecedented drops at the commencement of his term of office. The Governor and his Team are working tirelessly to ensure healthy positive growth by the end of his term. We are confident that he will be successful!

Our Club has nominated a relatively youthful Team for the Lionistic year 2017-2018. These are the Leaders who will take Moratuwa forward in the years ahead. They have the strong support of several past Governors & past Presidents who continue to be actively involved in the progress and day to day affairs of the Club.

Moratuwa continues to remain strong due to the unwavering support & commitment of its past leaders!
